

58-EXT Partnership Extension Payment**2017****Purpose**

If a partnership is applying for an extension of time to file the 2017 Form 58, it may prepay the tax that is expected to be due on it to avoid paying extension interest. The payment must be made no later than the 15th day of the 4th month following the end of the tax year.

Important: Do not use this extension payment voucher if:

- The 2017 Form 58 is filed on or before the due date (without extension).
- Any tax due on the 2017 Form 58 is going to be paid after the due date (without extension).
- The payment will be made electronically—see “How to make payment” for payment options.

If the 2017 Form 58 is filed after its due date (without extension), any tax paid with the return is subject to extension interest.

If paying by check or money order, make it payable to “ND State Tax Commissioner,” and write last

Bismarck, ND 58505-0599

Only a check drawn on a U.S. or Canadian bank in U.S. dollars and using a standard 9-digit routing number is accepted.

Electronic payment options. Instead of paying by check or money order with this payment voucher, the payment may be made electronically in one of the following ways. *If paying electronically, do not use this voucher.*

- **Online**—A payment may be made online with a debit or credit card or electronic check. North Dakota contracts with a national payment service to provide this option. There is a fee for this service, none of which goes to the State of North Dakota. To pay online, go to www.nd.gov/tax/payment.

- **Electronic funds transfer**—A payment may be made by means of an Automated Clearing House (ACH) credit transaction that the taxpayer initiates through its banking institution. For more information, go to our website at www.nd.gov/tax.
