Dear Tax Filer:

The Office of State Tax Commissioner (Commissioner) has a variety of electronic funds transfer options available to taxpayers. The following information applies to only the Automated Clearing House (ACH) credit procedure.

Using the ACH Credit method, the taxpaying entity must contact their banking institution directly to initiate a payment and to provide the following banking information:

- The Commissioner utilizes the services of the **Bank of North Dakota**.
- The American Banking Association bank transit routing number for the Bank of North Dakota is **091300285**.
- The Commissioner's account number at the Bank of North Dakota, to which funds should be transferred, is **0910231**.

Essential information must be provided with an EFT payment submitted to the Commissioner's banking institution to ensure the funds are applied correctly to a taxpayer's account. This information is provided in an addenda record, which is part of the EFT transaction, and includes:

- Tax Identification Number
- Tax Payment Type Code
- Tax Period End Date
- Amount Type (Ex: Return, Amended, Estimate)
- Tax Amount

The banking convention layout for the addenda record and an example of coding required is available with each of the ACH Credit options listed. The layout uses the banking standard TXP format.

If an ACH Credit payment applies to more than one Amount Type (return, amended, estimate, etc.) one addenda record for each type must be submitted.

Addenda records must be complete to ensure timely and accurate posting of the payment to your account. It is suggested you have your banking institution send a pre notification (i.e. $0.00 ACH credit transaction) for the first time to test the accuracy of the TXP format before you send an actual tax payment. Payments with incomplete addenda records may be rejected and returned to the taxpayer unpaid.

We request that once you make a tax payment by EFT, you continue to make all tax payments for that tax type using the EFT method.

If you have any questions, contact the Office of State Tax Commissioner at 877-328-7088 or 701-328-2770, fax at 701-328-3700, or by email at taxinfo@nd.gov. Please include the type of tax your question pertains to.
