## 2024 Schedule K-1 Instructions for Partner

SFN 28722 (12-2024), Page 2

### Purpose of form

North Dakota Schedule K-1 (Form 58) is a supplemental schedule provided by a partnership to its partners. It provides information the partners may need to complete their North Dakota income tax returns.

### Resident individual, estate, and trust.

If you are a North Dakota resident individual, estate, or trust, your entire distributive share of income from the partnership is subject to North Dakota income tax. You received this schedule only to show your distributive share of the partnership's North Dakota statutory adjustments and tax credits (see Part 3).

### Nonresident individual, estate, or trust.

If you are a nonresident individual, estate, or trust, you are subject to North Dakota income tax on your distributive share of the partnership's income that is apportioned and allocated to North Dakota. You received this schedule to show your distributive share of North Dakota income, gains, losses, and deductions (see Part 4); North Dakota statutory adjustments and tax credits (see Part 3); and North Dakota income tax withheld or paid on your North Dakota distributive share of income (see Part 5).

**Business entity.** If you are a business entity, such as a partnership, corporation, or limited liability company, see the instructions to the applicable North Dakota income tax return for filing and payment requirements. You received this schedule to show your distributive share of the partnership's North Dakota statutory adjustments and tax credits (see Part 3) and your distributive share of the partnership's property, payroll, and sales apportionment factors (see Part 6). If you are a passthrough entity, such as a partnership or S corporation, and your commercial domicile is located outside North Dakota, the schedule will also show your North Dakota distributive share of income and any North Dakota income tax withheld or paid on it (see Part 5).

**Tax-exempt organization.** If you are a tax-exempt organization, you received this schedule to show your North Dakota distributive share of income, which is subject to North Dakota income tax if it is subject to federal income tax (see Part 5). It also shows your distributive share of North Dakota statutory adjustments and tax credits, which may apply if you have income subject to North Dakota income tax (see Part 3).

### General instructions

The instructions for Parts 3 through 6 of this schedule show where to report the information from Schedule K-1 (Form 58) on your North Dakota income tax return.

**Tax year.** References to a North Dakota form and line number contained in these instructions are references to the form in use for the 2024 calendar year. However, if you file your return on a calendar year basis, but the partnership files its return on a fiscal year basis, report the amounts on your return for the year in which the partnership's fiscal year ends. For example, if the partnership has a fiscal year ending in February 2025, report the amounts from the 2024 Schedule K-1 (Form 58) on your 2025 tax return. The partnership's tax year is shown at the top of the schedule.

**Composite filing election.** If you elected to include your North Dakota distributive share of income in a composite filing by the partnership, the information provided on the schedule is only for your information. Retain the schedule for your tax records. The composite income tax paid by the partnership satisfies your North Dakota income tax filing and payment obligations with respect to your North Dakota distributive share of income from the partnership. If you later choose to revoke your composite filing election and file your own North Dakota income tax return, follow the instructions to Parts 3 through 6 to transfer the amounts from the schedule to your return.

### Amended Schedule K-1 (Form 58).

If you receive an amended North Dakota Schedule K-1 from the partnership, you generally must file an amended North Dakota income tax return to report the revised information. Attach a copy of the amended Schedule K-1 to your amended North Dakota income tax return. If you previously elected to be included in a composite filing, and you are not changing that election, no action is required and you should retain the amended Schedule K-1 for your tax records.

If the full amount of any item is not included in your adjusted gross income on your federal income tax return because of limitations on the deductibility of a passive activity loss, capital loss, section 179 deduction, or for any other reason, enter on your North Dakota return only that portion of the item included in your federal adjusted gross income.

## Part 5

### Nonresident partner or tax-exempt organization partner only

#### Line 40

This is the net amount of your North Dakota distributive share of income (loss) from the partnership. Do not enter the amount from this line anywhere on your return. **It is for your information only.**

**Tax-exempt organization only.** If part or all of your distributive share of income from the partnership is taxable under federal income tax law, the North Dakota portion of that taxable income is taxable under North Dakota income tax law. If this applies, you must file a North Dakota income tax return (using Form 40) to report the income and pay any tax due on it.

#### Line 41

This is the amount of North Dakota income tax withheld by the partnership from your North Dakota distributive share of income. Enter this amount on your return as follows:

- If an individual, enter on Form ND-1, line 26.
- If a trust, enter on Form 38, page 1, line 8.
- If a partnership, enter on Form 58, page 1, line 4.
- If an S corporation, enter on Form 60, page 1, line 5.

#### Attach a copy of North Dakota Schedule K-1 (Form 58) to your return.

#### Line 42

**Note:** If you later choose to file your own North Dakota income tax return, you may claim this amount as an income tax withholding on your return. Attach a copy of the North Dakota Schedule K-1 (Form 58) to your return to support the amount claimed.

## Part 6

### Partnership or corporation partner only

If you are a partnership, corporation, or other entity treated like a partnership or corporation, the factor information shown in Part 6, lines 43 and 44, will affect the preparation of your North Dakota income tax return if you are required to complete Schedule FACT (or Schedule CR, Part II, in the case of certain corporations filing Form 40). See the instructions to Schedule FACT of your return for more information on where to include the factor information from this schedule.
