occurring within the Standing Rock Sioux Reservation will be included in "Total Sales" and, when applicable, in the "Nontaxable Sales" and "Items Subject to Use Tax" lines of the *Form ST - Sales, Use, and Gross Receipts Tax* return.

In addition to the tribal imposed 5 percent sales and use tax, 7 percent alcohol gross receipts tax, and 3 percent new farm machinery, new farm irrigation, and new manufactured homes gross receipts tax, the Standing Rock Sioux Tribe also imposed a one-fourth percent .25 percent tribal local tax that will apply to all transactions subject to the state-level taxes.

The .25 percent local tribal tax will be reported separately in the Local Option Sales, Use, and Gross Receipts Taxes section of the sales tax return. Although all transactions on the reservation will be subject to the .25 percent local tribal tax, the tax associated with 5, 7 or 3 percent sales will each be reported on separate lines of the Local Option Sales, Use, and Gross Receipts Taxes section of the *Form ST* sales tax return.

Line 1 - Enter the total sales for the reporting period. Do not include the sales tax in this amount.

Line 2 - Enter the total nontaxable sales. See Exemptions Guideline.

Line 3 - Enter the cost of taxable goods and equipment consumed or used by you that was purchased without tax. For example, items removed from inventory and used by you.

Line 4 - Add lines 1 and 3, and subtract line 2. Enter the result on line 4.

Line 5 - Multiply line 4 by the applicable tax rate and enter the result on line 5.

Line 6 - Add column A and B on line 5 and enter a amount on line 6.

Line 7 - All registered permit holders regardless of filing frequency, will receive compensation on each properly filed return. The amount of compensation your company will receive is computed by multiplying the total state tax on line 6 times 1.5 percent (.015) and enter the result on line 7. **Effective with the July 1, 2013 return, the compensation may not exceed \$110.00 per return.**

Compensation may not be deducted if the return is filed after the due date or is not paid in full. Penalty and interest will be assessed on tax due resulting from compensation deduction on a late filed or underpaid return. Please contact our office if a return needs to be amended to ensure the proper vendor compensation rate is used.

Line 8 - Subtract total compensation on line 7 from line 6 and enter the result on line 8.

Line 9 - Calculate penalty if filing a late return.

- For the first month the return is late, the penalty is 5 percent of the state tax on line 5 or \$5, whichever is greater.
- For each additional month or fraction of a month the return is late, add an additional penalty of 5 percent of the state tax on line 5 up to a maximum of 25 percent.

If items (a) and (b) of line 9 are filled with XXXs, calculate penalty on the total state tax (line 6) and enter in line 9, column B. If items (a) and (b) are blank, calculate penalty on the state tax (line 5) separately for each column, enter the penalty amounts in items (a) and (b), and enter the total penalty in line 9, column B.

Line 10 - If filing a late return, enter the amount of interest due. Interest does not apply to the first month a return is late, but applies at a rate of 1 percent each month or fraction of a month the return remains late or unpaid.

Line 11 - Add lines 8, 9, and 10. Enter the result on line 11.

Local option sales, use, and gross receipts taxes

Local option taxes include city, county, and tribal taxes that are due in addition to state-level North Dakota and tribal taxes. If you reported more than ten local taxes in the past year, use the Schedule ST-Local included with your return to report all local taxes due. If you reported ten or less local option taxes in the past year, the Local Option Tax section on Form ST is preprinted with information regarding each local jurisdiction you reported.

The *Schedule ST-Local* lists the cities, counties, and tribal taxes without compensation on page 1 and the cities and counties with compensation on page 2. Additional instructions are available on the department’s web site or by contacting our office.

Instructions for reporting local option taxes:

- Report all local tax amounts in dollars and cents.
- Report all local taxes in one place. Do not report some local taxes on Form ST and other local taxes on Schedule ST-Local. If reporting ten or less local taxes, use the Local Option Tax section on Form ST. To report more than ten local taxes, report all on Schedule ST-Local.

- If you use Schedule ST-Local, all local codes, city/county/tribal names, and compensation rates are preprinted on the schedule. Additional ST-Local Schedules and instructions are available at www.nd.gov/tax or by calling 701-328-1246.
- If you report local taxes in the Local Option Tax section on Form ST, and you are reporting a local tax for the first time, enter the local tax code, name of the city, county or tribal and compensation rate from the list at the bottom of these instructions.

Column C—Total local option tax

Enter the total amount of tax due for each city, county or tribe. The tax due is equal to the correct amount of local sales or use tax you should have charged on sales made within the local jurisdiction plus any local use tax due on untaxed goods or services subject to use tax because they were stored, used or consumed within the local jurisdiction.

Column E—Compensation allowance

Some local jurisdictions provide compensation to permit holders for collecting and remitting local tax. Multiply the tax in column C times the compensation rate in column D. Compensation may not exceed the maximum amount listed below and is not allowed if the return is late or underpaid. **Note: If amount in column C is negative, enter zero in column E.**

Column F—Net local option tax due

Subtract the compensation in column E from the total local tax in column C and enter the result.

Line 12—Net local option tax due

Add all of the amounts in column F and enter the result. This is the total amount of local tax due with the return.

Line 13—Local option penalty and interest

If the return is unpaid or filed after the due date, a local penalty is due. Penalty and interest, including the minimum \$5 penalty, applies separately to each jurisdiction with local tax due. On line 13, enter the total amount of all penalty and interest due on local taxes.

Line 14—Total due with return

Add lines 11, 12, and 13 to calculate the total amount due with the return.

Make your check payable to North Dakota Tax Commissioner.

The taxpayer or taxpayer’s agent must sign the return. Please PRINT the name, title and phone number of a contact person who can answer questions about this return.
