After choosing "Tax Levy Reporting District Totals" filter options will appear under the second red line. There are many variations of searching options.

To search a county choose the county drop down by "County Name" and click on the county desired, then click Search. As seen in the example below, the information for all years in Benson County for each levy type will be retrieved. To search the whole state, leave "County Name" blank and click Search.

Sorting in the Tax Levy Reporting:

To rearrange the order of items in the Tax Levy Reporting site, click on the column heading. In the example shown, the search brought up all school districts for every county in the tax year of 2016 and shows Williams County first. Simply click the title "County Name" and the data will be sorted alphabetically.

Any column heading can be clicked on to rearrange the order of data.
