DISABLED VETERANS CREDIT

The Disabled Veterans Credit is a property tax credit that is available to veterans of the United States Armed Forces with a disability of 50% or greater. The credit, enacted in 2009 by the North Dakota Legislature, may reduce the taxable value of a homestead.

To qualify, veterans must meet all eligibility requirements and file an application with the local assessor or county director of tax equalization, which is due by February 1 in the year that the property is assessed and the credit is requested.

If the qualified veteran moves to a different homestead, the credit can be applied to the new property.

With the credit, your taxable value may decrease as follows:

<u>Disability Percentage</u>	<u>Maximum Reduction</u>
100%	\$8,100
90%	\$7,290
80%	\$6,480
70%	\$5,670
60%	\$4,860
50%	\$4,050

ELIGIBILITY REQUIREMENTS

1. You must be a disabled veteran of the United States Armed Forces with an armed forces service-connected disability of 50% or greater in the year for which your application is made.
 - Your extra-schedular rating, to include individual unemployability, may bring the total disability rating to 100%, as determined by the United States Department of Veterans Affairs.
2. You must have received an honorable discharge or be retired from the United States Armed Forces.
3. You must reside on and have an interest in the property.

ADDITIONAL INFORMATION

The percentage of credit for the Disabled Veterans Credit is equal to the percentage of disability compensation rating for service-connected disabilities as certified by the United States Department of Veterans Affairs.

Your income and assets do not affect eligibility for the credit. In the event of the applicant's death, the spouse is eligible for the credit. The spouse who is receiving United States Department of Veterans Affairs dependency and indemnity compensation receives 100% of the credit, until remarried.

If two disabled veterans are married and living together, the combined credits may not exceed 100% of \$8,100 of taxable value of the homestead.
