- 3.) The State Board of Equalization meets on the second Tuesday in August to examine and compare the returns of the assessment of taxable property as submitted by North Dakota counties. This is locally assessed property. The board equalizes the property so that all assessments of similar taxable property are uniform and equal throughout the state. During this meeting, tax directors or other representatives from a county will speak, along with city representatives, and individual taxpayers.
- 4.) After the State Board meeting, your case will be assigned, and staff will reach out to schedule an onsite review of the property (when deemed applicable). While an interior inspection of the property is not required, interior reviews may affect the consideration of value. If denied an interior review, we will assess from the exterior only. Staff will not be allowed to enter the property without the owner or a representative present.
- 5.) Generally, by the first Thursday of October, the property tax division staff will present their findings to the State Board of Equalization with a recommendation. The board deliberates and votes. You can attend this meeting however; public comments are not accepted.

Dear Property Owner:  
When the valuation of your property increases by 10% or more and \$3000 or more, Section 57-02-53 of the State Law requires us to notify you of the increase. Your property has been increased due to one of the following reasons: New Construction, Remodeling, Updated Assessment, Partial Assessment or Re-Appraisal.

You are hereby notified in accordance with North Dakota Century Code, the true and full valuation on property you own has increased since the previous year's assessment to one or more of the following levels:

> The township, city, or county board of equalization proposes to increase the true and full value returned by the assessor resulting in a cumulative increase of more than 15% from the amount of the previous year's assessment.

2023 Value (New Value)	160.00	Deeded Acres	160.00	TRUE & FULL VALUE	\$170,591
2022 Value (Old Value)	160.00				\$90,649
		Change in TRUE & FULL VALUE			\$79,942

An increase in assessment does not mean property taxes on the parcel will increase. The taxing district must base its tax rate on the number of dollars raised from property taxes in the previous taxable year by the taxing district. Notice of public hearing will be mailed to the property owner if a greater property tax is being proposed by the taxing district.
