

RENTER'S REFUND BENEFIT

- The Renter's Refund provides a partial refund on rent paid for living quarters or for a mobile home lot. The refund can be up to \$600.

QUALIFICATIONS

- Only one person may apply for a refund if a married couple is living together. The person applying for the refund needs to be 65 years of age or older or an individual is permanently and totally disabled.
- The same income requirements apply to renters as Homestead Credit applicants.
- Refunds are not available for rent or fees paid by persons living in properties that are exempt from property tax, such as nursing homes, and for which payment in-lieu of property taxes is not made.
- Heat, water, lights, or furniture costs are not part of rent costs. If these items are paid for by the landlord, you must deduct these costs from your rent when you apply for a refund.
- Your annual rent payments must be a certain percentage of your income to qualify for a Renter's Refund. If 20% of your annual rent exceeds 4% of your annual income, you receive a refund for the overpayment.

EXAMPLE: A renter pays \$800 per month in rent (\$9,600 per year) and the renter's income is \$35,000.

- 20% of \$9,600 (rent) is \$1,920
 - 4% of \$35,000 (income) is \$1,400
